Dear Mayor & Council;

I am writing to all of you to express my concern for my personal safety and those of my fellow citizens of the Millar Addition.

50+ residents met on Sunday August 22nd at L'hedli Park. It was organized as a "Meet & Greet" and was an opportunity to share their encounters with some of the residents of the "homeless tent city" that is increasingly growing below Patricia Blvd.

Most of the encounters are very unpleasant and we feel your intervention is urgent.

As taxpayers we deserve to feel safe in our homes and neighbourhood. It is clear to me after yesterdays' meeting that we do not!

We understand that some of the August 30th agenda is to discuss "Neighbourhood Safety". I am hoping you will take my letter into account?

Respectfully submitted,

Betty Bekkering

Resident of the Millar Addition.
