

June 10/21

Letter of intent for 1724 Strathcona Ave:

Our intent is to revitalize the property at 1724 Strathcona. We want to change it from a liquor primary licence, to a cannabis licence. By recreating this space into a cannabis licence, we will be able to take a currently closed business and turn it into a viable one. This will provide employment for 10 people in Prince George.

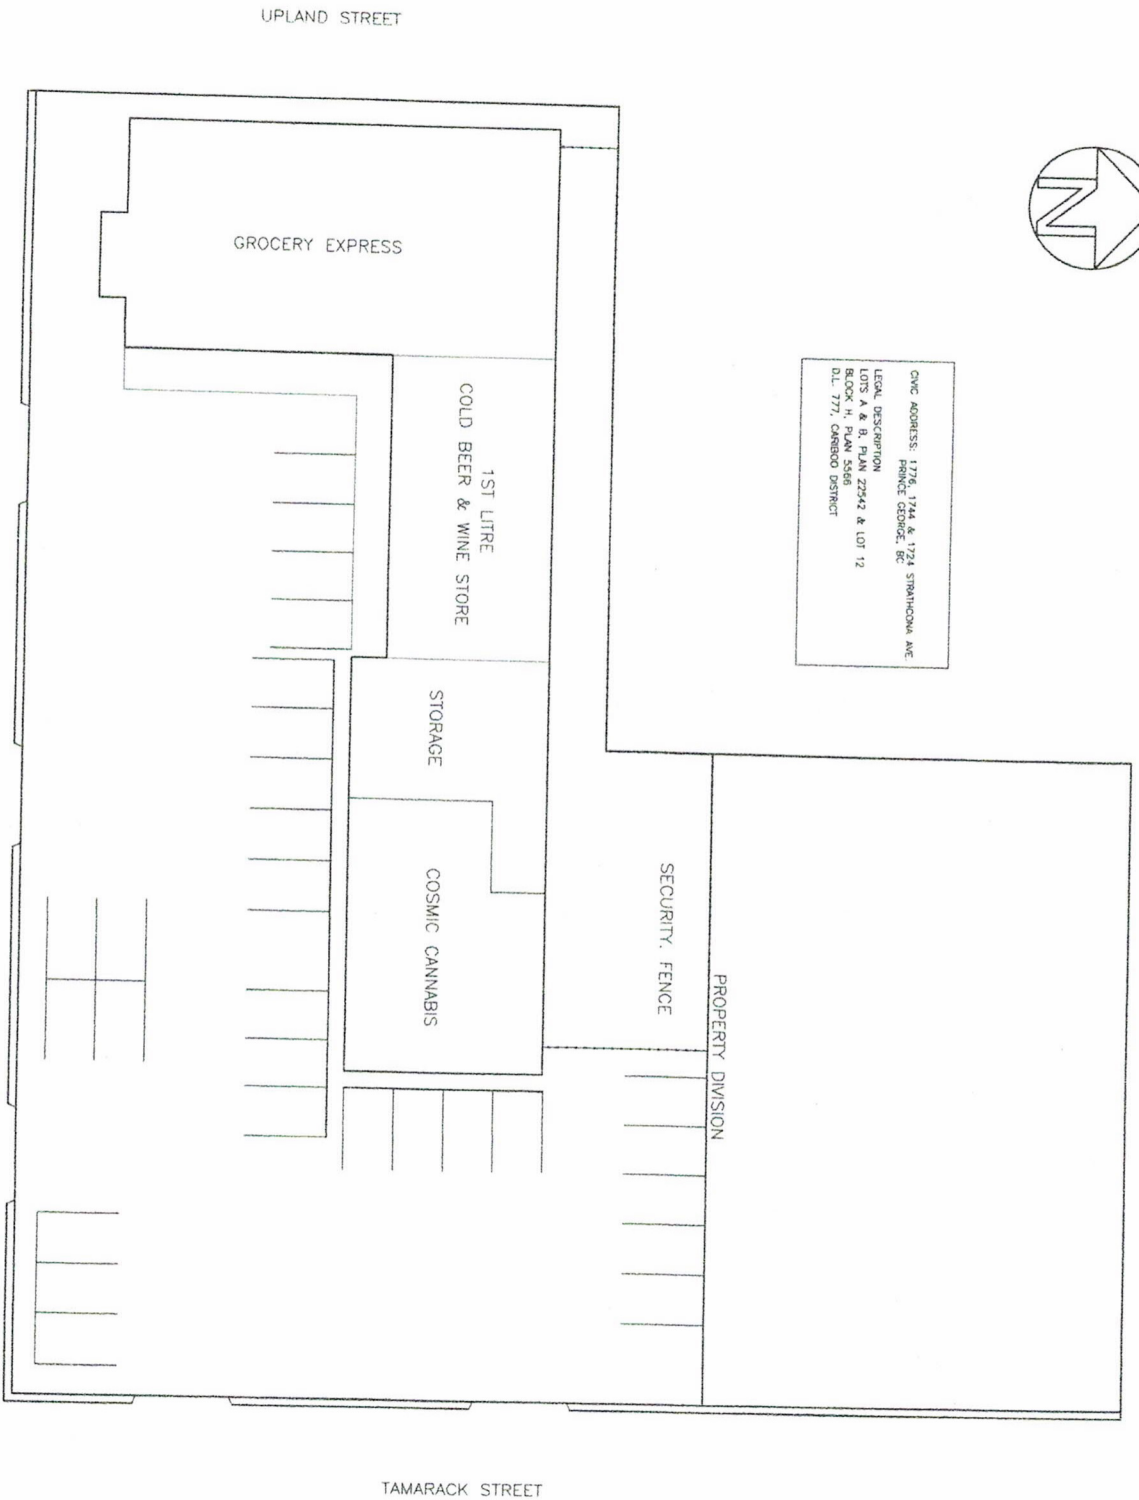

Thank you for your time.
