Applicant:

Mr. Bruce Tattrie, Beairsto & Associates Engineering Ltd. and Mr. Matthew Millard, Tidewater Midstream and Infrastructure Ltd., attended Centre Table and responded to questions of Council regarding anticipated noise, light and air pollution concerns related to the proposed project.

The applicants advised that the proposed development will meet or exceed all best practices in design standards related to noise, light and air pollution. The anticipated combustion emissions relative to the existing emissions will be an approximate increase of 1 to 5 percent.

Members of the Public:

Dr. Marie Hay attended Center Table and spoke in opposition to the application noting concerns regarding the negative impact the cumulative emissions will have on the local air shed and requested Council postpone consideration of the application to a time after additional community consultation has been conducted.

A Pineview resident attended Center Table and spoke in opposition to the application requesting Council postpone consideration of the application until additional consultation with residents has been conducted noting concerns with the potential negative impacts on the community air shed quality should the application be approved.

Discussion commenced. Mr. Tattrie and Mr. Millard (Applicants) responded to questions of Council noting that their application to the Ministry of Environment for an environmental assessment and appropriate provincial permitting has been submitted.

- Previously submitted staff report dated June 7, 2021, from the Acting Director of Planning and Development Services, titled "Official Community Plan Amendment Application No. CP100173 (Bylaw No. 9204, 2021) and Rezoning Amendment Application No. RZ100699 (Bylaw No. 9205, 2021)" (*Considered at the June 28, 2021 regular Council meeting*);
- Location and Existing Zoning Map;
- Appendix "A" to Bylaw No. 9204;
- Appendix "A" to Bylaw No. 9205;
- Exhibit "A" to Application No. CP100173.

Applicant:

Mr. Peter Helm, Director of Development, Mennonite Central Committee, (Applicant) attended Centre Table and provided a PowerPoint presentation in support of the application including information on the Mennonite Central Committee (MCC) Legacy Trust, past apartment renovation projects, and details on the proposed Briarwood Apartments including information on the intent to increase stock of affordable rental housing by approximately 169 units, traffic impact analysis, and target occupancy date of September 2023 for the first building.

Members of the Public:

Mr. Joe Van Calsteren, 1159 Mica Avenue, attended Centre Table and spoke in opposition to the application noting concerns with the increase in density of the neighbourhood while recognizing the need for infill development and the distribution of high-density residential zones throughout the community. Mr. Van Calsteren noted concern that the current housing need may not be required in the future leaving new builds such as the proposed development as unsustainable vacant rental units.

Ms. Leah Spoletini attended Centre Table and spoke in opposition to the application noting concerns that the layout and density is inappropriate for the area with existing apartment buildings in residential areas limited to three storeys. Ms. Spoletini spoke of concern at the loss of the existing green space which is used by tenants of the existing Briarwood Apartment complex.

Discussion commenced. D. Wasnik, Acting Director of Planning and Development Services, and B. McIntosh, Acting Director of Civic Operations, responded to questions of Council.

Ms. Cathy Krecsy, 4350 Antler Avenue, attended Centre Table and spoke in opposition to the application noting concerns with loss of privacy of her current residential backyard with the proximity of the proposed development to the property line.

Resident of Chingee Avenue (name unknown), whose property backs onto the subject property, attended Centre Table and spoke in opposition to the application noting concerns with loss of privacy at his residential property and capacity of existing civic infrastructure to support the proposed development.
