Subject: letter of support request from Prince George Lawn Bowling Club

The timbers surrounding the Lawn Bowling Green located in the city-owned Watrous Park have reached end-of-life after approximately thirty years of service. Since this project is well beyond the scope of the physical or financial capability of the Club, the Prince George Lawn Bowling Club has undertaken a fund raising effort to get this work done. The estimated cost of the project should be somewhat just over \$30K. Our major funding request has been to the Northern Development Initiative Trust. NDIT requires a letter of support from the local government.

Therefore, please support the resolution that:

The City of Prince George SUPPORTS the grant application to the Northern Development Initiative Trust from the Prince George Lawn Bowling Club in the amount of up to \$23,500 to replace the timbers at the Watrous Park Lawn Bowling Green.

Thank you for your consideration,

Dan Gilgan  
President, Prince George Lawn Bowling Club
