

Re: Variance for 6526 Monterey Rd

To Whom it May Concern,

I am writing this letter to show my support and understanding of the land use variance application for the above mentioned property. I have seen the drawings and site plan for the application to build a small cottage house at the front the property. Having discussed the proposal with the current owner I do not feel that it will impact the value or aesthetics of the property or neighbourhood. I do not believe it will impact the traffic, noise or feel of the beautiful neighbourhood that we live in.

Sincerely,
