Re: City of Prince George resolution in support of the Northern Development Initiative Trust funding request for Economic Infrastructure (Uda Dune Baiyoh "House of Ancestors" Conference Center and Café Patio Project)

Dear Mayor and Council,

The Uda Dune Baiyoh "House of Ancestors" Conference Center and Café is requesting a resolution from Prince George City Council in support of our funding request to NDIT for up to \$100,000.00.

As you may be aware the House of Ancestors has a small café within the building. Our café has grown beyond its capacity. We would like to build a beautiful, Cultural patio to accommodate additional seating as well as some much needed curb appeal. The patio will add a minimum of 40 extra seats. The NDIT funding, if granted, will cover 70% of the cost and we have secured the remaining portion.

The following is the resolution that we are asking City Council to approve:

The City of Prince George supports the funding application from Tano T'enneh Limited Partnership to Northern Development Initiative Trust's Economic Infrastructure Fund for up to \$100,000 to support the development of our outdoor patio project.

Please feel free to contact me for any further information

Sincerely,
