To whom it may concern,

I'm writing this letter to voice my strong support of the new location of Forest Power Sports at 3191 Hwy 16, continued development of the upper college heights area will be a boon to all local businesses bringing more services, support and opportunities for everyone in the community.

The power sports industry is wholly positive as it brings people together, is a great source of exercise and allows people to experience the beautiful local landscape and acquire appreciation for local wildlife.

Sincerely,  
Camron Mamic
