2763 Vance Road Speaking out.

I am firmly against this as we are seeing more and more drug activity follow these multi resident units in our area. With the volume of increased traffic on our street, along with the volume of added vehicles to these units, the challenges we face every snow season is getting worse for the snow removal crews, causing them to spend a longer period of time during the middle of the night.

This neighbourhood has always been a wonderful place to raise kids this close to a good school, but has been getting increasingly dangerous with the added traffic and blind spots created by the overflow parking lot. To add to this there are no consequences for the landlords allowing people to rent when they are known trafficking felons. For example,
