Re: Proposal "City of Prince George Zoning Bylaw No. 7850, 2007, Amendment Bylaw No. 9288, 2022"

Hello there, my name is Ella Wolfermann and I am 11 years old. I would like to voice my concern about the apartment\retail development proposed for 7171 Hart Highway (just off Turner Road). I live at [Redacted] Turner Road and there is at least one kid in each house on our road, 11 in total. Every day, every season, we play outside on the dead-end street, biking, drawing with chalk, running, climbing trees, and doing normal things that kids do outside. But when you build the developments, we will not be able to enjoy ourselves anymore, which means we won't be as active and healthy because there will be more cars and it won't be as safe.

My parents have worked super hard to make our house perfect for the past four years and since we moved here, I would hate to move again. I love the trees and wildlife around; there are moose, deer, fox, and all the birds and squirrels. But when you build the development that will not be there anymore because all the trees will be cut down. I love to wake up to the birds singing but after all the trees are cut down and building begins, then I will wake up to car alarms, construction and people yelling etc. It will also affect my future, I am just a kid and that will cause me a lot of stress with the noises when I am sleeping, doing my homework, doing art, reading, and even watching TV. I love the idea of apartments with stores, but I do not love the location. Here are some other location suggestions: Number one. Austin Rd school.

Number two. Empty lot next to McDonald's.
Number 3. Next to the Hart save-on Foods.
Thank you for considering my ideas.

Sincerely,
Ella Jessica Wolfermann.
