RE: Petition for an open public hearing regarding the rezoning of 7171 Hart Highway from C3: Neighborhood Commercial and C6: Highway Commercial to C2: Regional Commercial and RM5: Multiple Residential

2022-07-08

Dear City Council of Prince George,

We, the Hart community, are requesting an open public hearing regarding the rezoning application of 7171 Hart Highway.

There has been insufficient information given to our neighborhoods which will be impacted by the new multi-family development and further consideration needs to be given to our families. All of us living near this location need to be involved in the decision-making process and an open public hearing would allow us the opportunity to ask questions and get answers.
