Re: Dr. Amy Johnson – 1677 7<sup>th</sup> ave

I am pleased to write a letter in support of Dr. Amy Johnson's rezoning application for 1677 7<sup>th</sup> ave.

As a property owner on 7<sup>th</sup> ave, Dr. Johnson's clinic has been such a beautiful addition to the street. There have been no issues in the neighborhood since the property was acquired by her and her husband in 2021.

I have known Dr. Johnson for quite some time and have always known her to be respectful and approachable. I know that she conducts her business similarly and is highly respected by her patients.

Kind Regards,

Tracey Day
