Attn: Mayor and Council

Re: 1677 7th ave- C8 Commercial Conversion

The Prince George Chamber of Commerce supports the C8 commercial conversion of 1677 7th ave. in the City of Prince George.

The applicants have been a welcomed addition to the business community and were most recently nominated for the Prince George Chamber of Commerce 2022 Micro Business of the Year.

With the Chamber's new office location on 7th Avenue, we are happy to welcome engaged and respectful neighbours to the street.

Since opening their business on December 15, 2021, the applicants have not received a single complaint regarding their business operations. And, in fact, we have received very positive feedback on their operations and contributions to our community.

Again, we support this initiative and wish them the best with their business endeavors.

Thank you,

A handwritten signature in black ink that reads "Ray Noonan".
