In regards to the rezoning of 4922 Chief Lake Road, Lot 2, District Lot 2424, Plan 33278, I would like to voice my opposition to this project. Squeezing 85 units onto a narrow green belt between 1-acre lot homes is a stupid idea. My first concern is for the extra traffic this will cause on an already busy road. My second concern is for all the children walking to school on the sides of a busy road that has no sidewalks and nowhere to safely cross Chief Lake Road to get to the school on the other side. It will only be a matter of time before a child is hit/killed. Thirdly, it is very well known that Bruce Kidd's company builds [Redacted]
