Dear City Council,

I am writing to you regarding the changing of Zoning Bylaws pertaining to Subject Property 1710 6Ave.

I live across across from said property and do not want an apartment building built.

For starters, I work nights and therefore sleep during the day, the last thing I need is months of loud construction noises.

I also have a lovely view of the cutbacks and would hate for that to be destroyed by a huge building.

There is enough apartment/condos on this block and do not need another.

Thank you for your time and consideration of my concerns.
