City of Prince George  
Andy Beesley, Director, Civic Facilities and Events  
1100 Patricia Boulevard  
Prince George, BC V2L 3V9

Hello Mr Beesley,

Thanks very much in getting back to us so quickly regarding the progress of the updates requested by the Civic Facility Audit from 2016.

It was suggested at the January 5<sup>th</sup> meeting (2023) of the Advisory Committee on Accessibility that some members of the committee visit the facilities to review the improvements made. We noticed that you have requested some additional input from the committee regarding accessible seating in the Kin Centre 3 and at the PG Playhouse. While we are at the CN Centre, could we look at the improvements made to the accessible seating there?

The audit was completed 6 years ago and it would be helpful to us to review the suggestions made and see the improvements first hand.

We appreciate the challenges you face implementing the changes requested. We are encouraged when you write that you will keep the topic of accessibility, "front and center".

Thanks again---

Sincerely,

Chris Gobbi, Chair  
City of Prince George Advisory Committee on Accessibility
