Prince George City Council,

1100 Patricia Boulevard,

P.G. V2L 3V9

Dear Sir/Madam,

I would like the following to be included on the Council meeting agenda .

In conversation with my fellow residents of the Chateau on Hill Ave. we are concerned that there are no garbage containers from the new MacDonalds on 5<sup>th</sup> and Tabor to the DP Todd Secondary School on Hill Ave.

Many of the students use the Chateau grounds as a short cut, ( to which we have no objections ) ,but fear that , once this establishment opens , without garbage cans along the route, our well-kept grounds and the public path around them will be littered.

Thinking proactively, it would be greatly appreciated if the Council could install 2 garbage containers along the route eg near the bus stops on Tabor and Hill Ave. where the students pass several times a day.

Thanking you for your consideration of this matter,

Yours Sincerely,

Heather Smith.
