My name is Richard Manning and my wife's name is Linda Wrightson. We have lived at 1630 Kenwood St for the past 22 years.

We have invested time and energy into developing positive relationships with our neighbours as well as those who are less fortunate. Many people passing through have formed friendships with us. We understand that acceptance is part of giving a respectful hand up. In contrast the addition of a liquor store does nothing to support our community. Thank you for your attention.
