Dear City Council And Mayor Hall

I reside at 1844 Juniper street. I am writing this email to voice my concerns about the proposed liquor store going into 1933 Queensway. PG Zoning bylaw No. 7850, 2007, Amending Bylaw No. 9268, 2021 AND Liquor license Application NO. LL100178.

I have lived in this neighbourhood for 16 years. I can see the building from my backyard. Our neighbourhood has ENOUGH problems without having a liquor store there. We DO NOT WANT OR NEED this to happen. Here are a few points why this should not happen,

We already have a HIGH prostitution problem on that corner which will INCREASE with the traffic that the liquor store will bring.

We already call bylaw and the police numerous times a month especially in the summer for loiterers and drug use in our alleys. This will only bring more problems.

This liquor store will literally back on to a house with children. Not to mention all the other families and seniors on surrounding streets.

We absolutely DO NOT want this to turn into what is happening at Shooters at Parkwood.

As a neighbourhood we have tried for years to clean this area up with some small success. This liquor store will ruin it all. There are small children that want to play outside and feel safe. I want to feel safe in my own home and when I go for walks. Do any of you remember **THE QUEENSWAY INITIATIVE** that was promised to us years ago??? **THIS GOES DIRECTLY AGAINST WHAT THE POLICE AND CITY COUNCIL PROMISED OUR COMMUNITY!!!!**

PLEASE HELP PROTECT OUR COMMUNITY AND VOTE **NO** FOR REZONING THIS PROPERTY. Would **YOU** want a liquor store in your backyard?

Thanks for your time,

Lindsay Hughes
