Dear Mayor and Council,

I am writing to you about my concerns on rezoning to allow a liquor store at 1933 Queensway. As you all know, my neighbourhood of Millar Addition has been facing an increase in crime and threats to our safety. The increase in these types of unsafe behaviour are said to have led the only grocery store downtown to relocate. The Shooters liquor store located beside Save On is already a very uncomfortable location to go to after dark. It feels unsafe! I feel that this will become the fate of a liquor store in our neighbourhood especially with the encampment nearby and grocery store relocating.

Normally I would love to see new use in empty buildings and honestly I'd love to see downtown thrive. I just don't believe this is the time and place for a liquor store because of the issues we are already facing. I urge you to reconsider this proposal. There are already neighbours getting their houses ready for sale precipitated by the encampment. Please do not let the situation get worse.

Thank you,

Alissa Nyheim-Rivet
