Monday, April 4th, 2022

Good evening,

As a long-time resident of the Millar Addition, I ask Mayor and Council to please stop the rezoning of the property at 1933 Queensway Street. As you all probably know, the Millar Addition and surrounding area is a family based neighbourhood that has been dealing with some very big challenges recently. The rise in home invasions, assaults, fires and drug use has been climbing steadily.

Do the applicants understand the vulnerabilities of this location? Do they even have a proper business plan in place to manage crime issues?

Research demonstrates a direct association between availability of alcohol and resulting harm: the greater the ease of access to alcohol, the more alcohol people consume and the greater the increase in associated problems.

Currently, Millar Addition neighbours are working together on taking back our streets and creating a safe, enjoyable space for all.

Please stand up for the health and success of our neighbourhood and do not kick us while we're down.

The proposed location on Queensway for a new liquor store is the wrong location at the wrong time.

Thank you,

Jillian Uloth
