Dear Mayor and Council:

I am sending this email in regards to the proposed liquor store at 1933 Queensway St.

I live in the Miller Addition subdivision. My husband and I bought an older, 1946 home which we have lovingly renovated. Since we have moved into this area 8 1/2 years ago, the area has changed. There are more break-ins and home invasions. There are now people "camping" in areas such as the dog park, under bushes and of course the infamous Mocassin Flats.

I feel that this area has been suffering enough, without adding a liquor store into the mix.

Can we not get a corner grocery store to replace the Save-On that is leaving? Something that everyone of all ages can benefit from.....

Thank you,

Lori Bellerive
