0 0.15 0.3km

City of Prince George | Esri, NASA, NGA, USGS, F LMA

You may select to have your pieces delivered to Houses, Apartments, Farms and / or Businesses or any combination of the four:

☒ Houses

☒ Apartments

☐ Farms

☐ Businesses

The Delivery Mode table is pre-determined by the system and is based on the first three characters of the postal code (FSA) selected by the customer at step 1. The FSA refers to a specific geographical area or general area covered by this Postal Delivery Outlet. One Postal Delivery Outlet may include more than one FSA.

In some FSAs, Letter Carrier routes may cover more than one (1) FSA. This is referred to as a "split walk". By checking the "Auto complete split walk" checkbox, you will have automatically selected all FSAs found within another Letter carrier route.

☐ Auto complete split walks [?](#)

Select	FSA/PC	Delivery Mode	Delivery Installation Name	Houses	Apartments	Farms	Businesses	Total Distribution
