RE: Treasure Cove Casino - LCB applications 024843, 024585

To the Mayor and Council:

My name is Richard Duval. I've lived at 160 Aitken Crescent since 1984. My property backs directly on to the Treasure Cove Casino & Hotel site. Since the initial public information meetings in 2003, I have acted as a director and spokesperson for the Van Bien Community Association.

Recently, John Major approached Mr. Potskin and myself to discuss his applications for changes to liquor serving regulations within Treasure Cove Casino. We met at the casino and viewed firsthand the extensive changes made in response to Covid19.

We lend our support to the applications for changes to the liquor-serving regulations within Treasure Cove Casino.

Firstly, because we can anticipate no negative effects on our community as a result of these changes.

Secondly, if I may offer a personal view; businesses in general, but especially those whose viability depends on public traffic, have endured tremendous hardships during this pandemic and should be afforded as much latitude as possible in responding to the economic realities imposed by the Pandemic of the last two years.

As always, we appreciate Mr. Major's willingness to consult with us regarding the effects of Treasure Cove Casino on our community and the invitation from the City of Prince George to present our views to the Mayor and Council.

Yours truly,
