Subject: Please Stop!

To whom it may concern,
Please STOP the relocation of an existing liquor retail store to 1933 Queensway. We DO NOT need more liquor or cannabis stores in the area. I just want to safely live and raise my child in this neighborhood, and am finding it increasingly difficult to do so.

I have signed the petition below and look forward to this re-zoning being overturned for the safety and well-being of all of the adjacent neighborhood residents.
