Subject: Rezoning 1933 Queensway

To The Mayor and Council;

I am writing to let you know we are totally against the rezoning of the property at 1933 Queensway to Accommodate a Liquor and Cannabis store, we do not need anymore Liquor and Cannabis stores in this area of town, we have more than our share. It will bring more problems into the area. We would rather see a nice family restaurant or pizza place, that's what is needed, not Cannabis gummies. They can find a nice spot on the Hart Highway. How many Pot shops does one City need?
