**Subject:** Zoning at 1933 Queensway

Good day

I would like to voice my concerns with the rezoning at 1933 Queensway

I understand everyone needs to have a location but I'm asking you to look at the concerns we are looking at for a cold beer and wine store for going into this location. There are two schools in close proximity to this location. These businesses sometimes attract not so nice element with this type of business. We live in the area and are not looking forward to more vagrants hanging out outside the establishment. We see enough of that on 15th by the old greyhound. We have lots of people who walk along that area and our children do not need to be exposed to this behavior of intoxicated persons and the clutter they leave behind. We are asking you to deny the zoning. This establishment will increase calls to bylaws, fire department and police for various issues.
