Mayor and City Council

Regarding a proposed liquor and cannabis store on Queensway coming up for approval.

I don't need to reiterate some of the less desirable activities that occur in the Millar Addition, you will already have those stats from the RCMP.

There is a Cannabis store in the Redwood Square on Victoria Street.  
A Liquor store 1512 12<sup>th</sup> Avenue, 1744 Strathcona Avenue, and another nearby at Pine Centre.

Given the demographic population in the surrounding area I feel this is not in the best interest of the community nor the city.
