Good day Mayor Hall and City Councillors,

I write to you today to oppose the rezoning of 1933 Queensway Street for a new liquor store. A liquor license in this area will only bring more criminal activity and loitering into a neighbourhood that is already in a very precarious position. Home invasions, drug use, theft and prostitution are just some of the issues we face here. As a multiple homeowner in the Millar Addition and a father of two toddlers, I worry about their safety frequently.

We need to attract more businesses that create value and can continue to develop products and services that make a positive impact on the Millar Addition, Connaught and South Fort George neighbourhoods. Please help us improve the walkability of our neighbourhood and the safety for our neighbours. Please stand with us and oppose the proposed location of the liquor store.

Thank you,

Keith Uloth
