Subject: Liquor Licence Application No LL100178

April 5, 2022

Dear Mayor & Council,

We are writing to share our concerns regarding the recent rezoning application for a proposed liquor store at 1933 Queensway Street. Our neighbourhood has experienced many challenges over the past few years and we are concerned this business will add to the challenges during these difficult times. We are also concerned with the proximity of a liquor store to two elementary schools and the distance from two other liquor stores within 1.2kms.

We would like mayor and council to deny this application at this time and look at other options for further development in the area to support a safe neighbourhood. Perhaps a neighbourhood plan should be developed with resident input over the next few months.

Many thanks!
