Subject: Proposed Queensway Liquor Store

To whom it may concern

My name is Jesse Tadgell, I am a resident of Prince George and am currently living in the Millar Addition part of town. I have recently been notified of the request of Mcwalter Consulting to rezone the old Pizza Hut building into a liquor store. As a resident that lives right across from the area I am deeply concerned that this will be quite detrimental for the nearby residents and neighborhoods. This new liquor store will bring more crime and problems to a part of town already struggling, with open drug usage and widespread prostitution. Prince George already has many liquor stores, with two stores quite close by already. Please don't let this proposal go through, it is an unnecessary and unwanted change to a lower income neighborhood already dealing with a number of issues.

Thank you,

Jesse Tadgell
