Good evening

I am concerned about the Mcwalter Consulting Ltd on re-zoning a liquor store in the old Pizza Hut building on 1933 Queensway. I live on Juniper street with two young children. I do not like the idea of this going through as the 711 is pretty bad as it is with the homeless population and it would make it even worse if the liquor store would be built. Please strongly reconsider for this to proceed.

Thank from a concerned parent
