DP100807 (1177 Foothills Blvd) - Meeting Date: May 31, 2023

Comments:

I drive on Foothills Blvd daily. I oppose the developer's request to have fewer parking spots. 6 guest parking spots for 190 units is far too few. Many of the residents will be getting in home support and parking needs to be available for care givers. There should be more undercover parking for residents because of our snowy winters. The site is very restricted for space. Where does the developer plan to put snow in the winter? There is currently no parking on Foothills Blvd. The overflow parking would be in the neighborhoods on the opposite side several blocks away. I have tried to find parking to visit at Riverbend and Laurier Manor in the winter and have had to park blocks away. Developers should not be allowed to plan their parking areas as if we were in a snow free city like Vancouver or Victoria.
