Subject: 9153 Twinberry Rd

Good Afternoon,

I am writing in support of a proposed new modular home park at 9153 Twinberry Rd. It's the perfect solution for first time home buyers, elderly for downsizing and having everything on one floor and simply more affordable housing. My husband and I were in the situation of having to downsize for medical reasons and there were not too many choices for us. I am hoping this will move forward to a beautiful new development and we are totally in favour of this.

Thank you,

Kathy Janse
