### Comments

Please choose a new location as the rezoning bylaw will displace over 100 residents and is incredibly inconsiderate to the long-term trailer park residents that would be stuck with nowhere to go. Prince George has a large community I am sure that together we can find a better solution then jeopardizing out local community. There are elderly, families and single parents that rely on the trailer park as a wholesome community to live grow and flourish in, taking this away benefits the "1%". Respect your local residents and they will respect you.
