

Exhibit "A" to Bylaw No. 9424

Proposed Amendments to City of Prince George Sign Bylaw No. 7202, 2001

---

**1. Delete Section 7.3.a:**

Applications for Sign Permits shall contain the following, unless certain information is determined by the Authorized Person to be not necessary to ensure compliance with this Bylaw.

- i. A completed form prescribed by the Authorized Person.
- ii. The signature of the property owner.
- iii. The owner's name and address.
- iv. The legal description and civic address of the Site, building or Structure upon which the Sign is to be displayed or attached.
- v. The Sign manufacturer's name and address.
- vi. A Site plan showing accurate placement of the proposed Sign, including the Setbacks to existing Signs, buildings, and property boundaries.
- vii. All dimensions of the Sign, supporting Structure and height above finished grade.
- viii. Detailed scale drawings of the Sign including copy and colors to be used.
- ix. Structural, footing and material specifications for the proposed Sign.
- x. Such other information as the Authorized Person may require to determine full compliance with this and other applicable Bylaws of the City.
- xi. And, a master signage plan.
