Subject: Birdsong Park

Hello Mayor Simon Yu and city councillors Tim Bennett, Garth Frizzel, Trudy Klassen, Ron Polillo, Cori Ramsay, Kyle Sampson, Susan Scott and Brian Skakun,

Last Wednesday morning, August 16th a pair of Ospreys began to build a nest on the Osprey pole that was put up two years ago in the meadow area of Birdsong Park. Such a great thing to see! Pitman Asphalt paid for the pole and assisted with their machinery to put the Osprey pole in place. Sara Sparks the avian biologist who helped with the placement of the Osprey pole says the Osprey are building their nest for next spring.

On Thursday I noticed the sign by Foothills Bridge announcing that this coming Monday will be the public hearing that will hopefully lead to the correct zoning for BirdSong Park.
I hope that we will be able to count on having your continued support on August 28th at the public hearing.

If you would like any further information about Birdsong park or if you have any questions please email me or phone me

I look forward to speaking to you this coming Monday evening.

Sincerely,
