Hello City Clerk.

I have been living in the area of the proposed Birdsong Park for over 30 years. This trail has been in existence for so much longer and offers a beautiful respite for all. A place where many can come and walk, jog or bike; walk their dogs, chat with neighbours, be at peace in nature, and contemplate this historical and natural setting. Not everyone has access to such a gorgeous and peaceful river setting, yet this proposed park will allow just that.

I am unable to attend the meeting on August 28th for rezoning of this park but would like you to know that I for one, give full support to the rezoning of this area to a park.

Kind regards,
Gillian Recknell
