Dear City Staff and Counsel Members

As neighbors of the address 2816 Killarney Dr. Prince George, we are aware that Ron and Wendy Reimer have applied for a variance permit to allow construction of an RV garage of 1632 sq ft and 24 ft high to the peak, close to the same height of their house.

Variance to reduce the rear setback from 6m (19.68 Ft) to ^{4.5m (15ft)} ~~4.4m (14.5ft)~~ *ll*

By signing this I am giving my consent and do not have any concerns or objection to the proposed Garage.
