Dear Mayor and Council of Prince George,

Unfortunately I am writing this message to you at the very last minute and I am hoping it is received before tomorrow's (July 11) council meeting. I was surprised to find out that the City administration was looking at approving 5 parks as overnight shelters including the one on Lower Patricia, just below Millar Addition. This proposal is from a report dated July 6th, 2022 (last Wednesday) and the City has recommended and **emphasized** that both readings two and three be conducted at tomorrow's meeting bringing this bylaw into effect conveniently in time for the BC Summer games and not allowing time for the affected members of the community to provide responses. This is very disappointing especially in light of the letter received from the City this Spring indicating they would work with the Millar Addition residents to address our concerns related to the encampment. Nothing has been addressed! Nothing has changed! Many of us are still scared, there is still dangerous activity in the Community, and many of us have become tired of calling bylaws and the City to no effect.

So as a reminder to the City, Northern Health, BC Housing, the local MLAs, and the local MP we are still requesting that this encampment be removed and that housing and mental support be provided. I am providing the results of our Millar Addition door-to-door petition and an online petition regarding the encampment on Lower Patricia in Prince George. These results were

discussed in an August 2021 City Council presentation. Both petitions are attached. We deserve to BE safe in our neighbourhood and our own homes.

To the Mayor and Council, you've heard us many times. Please do not rush this decision and allow those that wish to provide comments time to reflect.

Regards,

Alissa Nyheim-Rivet

Safety for all: remove the tent city on Fifth Avenue and provide alternative housing

To: Mayor Lyn Hall and Council members of the City of Prince George; Northern Health; BC Housing; Shirley Bond, MLA for Prince George-Valemount; Mike Morris, MLA for Prince George-Mackenzie; and Todd Doherty, MP for Cariboo-Prince George

Over the past few months, a tent city has been allowed to grow at the end of Fifth Avenue, behind the Citizen’s office, in Prince George. This has led to an escalation in property crime, public drug use, public disturbances, gun shots, and illegal fires and fireworks in the nearby communities. There have also been incidents of people being followed, chased, pushed off the road, and sexually harassed by residents of the tent city. The tent city is also near a school and a popular walking trail. As residents of this community, we no longer feel safe living or working in this neighbourhood.

While our aim is the dismantling of this unlawful encampment, this is not a campaign against homelessness. By signing this petition, you are helping the unhoused AND your community. We need long term solutions that address underlying issues of mental health, addiction, income inequality, and systemic oppression. Everyone has the right to feel safe, whether housed or unhoused. **Let’s work together to make the community a safer place to live, work, and play.**

We the undersigned, strongly urge Mayor and Council to immediately dismantle the tent city in the Lower Patricia Boulevard and Fifth Avenue area, and work with all levels of Government to provide alternative housing and support for mental health and addiction.
