To: Mayor and Council
City of Prince George

On behalf of the Society, I am writing to request a resolution of support for a grant for which we are applying.

As you are aware, we are in the process of building Phase 2 of our Botanical Garden Project on the campus of UNBC. We see it as another tourist attraction for the city and plan to open it in the spring of 2024. We will be marketing it to the community of Prince George as well as areas beyond the city. To assist with this, we have applied to Northern Development Initiative Trust for a grant and require a resolution of support from the City for this.

Therefore, I am requesting a resolution of support from the City of Prince George for our application for a grant of up to \$20,000 to support marketing of the Botanical Garden Project from the NDIT Marketing Initiative Account.

I am also requesting that this be included on the September 11 council meeting agenda.

Thank you for your consideration.

Yours truly,
