Re: Letter of Support for Facility Expansion at the Otway Nordic Centre.

Jim Burbee is giving a presentation on behalf of the Caledonia Nordic Ski Club (CNSC) which intends to apply for an expansion of its licence of occupation.

I have been a club member of CNSC since 1984 and have held many positions, including Club President from 2006 to 2008. Currently I am a certified ski instructor and teach adults and students in the school ski program.

Apart from hosting World events, the club has been a big factor in attracting professionals to Prince George. I have given lessons to two physicians who were thrilled with the ski facilities and have chosen to relocate here.

Land tenure has always been an issue of concern to the club and it is important that new land is acquired to replace land which will no longer be accessible.

I am requesting that City Council give a letter of support for the Facility Expansion at the Otway Nordic Centre.

Please include this correspondence with the agenda for the City Council Meeting.

Yours truly,

Susan Bond
