Mayor & Council

I am writing to express our support for the proposed expansion of the Caledonia Nordic Ski Club. We have been members of the club for over 20 years. Initially when we moved to Prince George our family were active in the club as parents of young skiers in the Jack Rabbit program. One daughter went on to compete nationally in biathlon. The discipline required to compete at a high level and maintain her school grades benefited her tremendously. Our other three children, now in their 30s, all ski recreationally at "Otway". We have been active on the club's competition organizing committee. We ski at the club 4 -5 days per week in the winter and walk the trails 2-3 times a week in the summer. The Caledonia Nordic Ski Club is a huge part of our lives. As grandparents we would like to see our grandchildren skiing at Otway in the future. We do want desperately to ensure the club continues to provide healthy, outdoor focused, family-oriented activities.

As outlined in the club's proposal we believe that security of land access is very important to ensure the long-term success of the club. We encourage you to support the club's crown land expansion proposal.

My intention is that this letter be included on a council meeting agenda. I also understand that this letter may be published in the online council meeting agenda.

Yours Truly

Bill and Karen Warner
