**Re: Indo-Canadian Seniors Society of Prince George Funding Application**

To Whom It May Concern:

On behalf of the City of Prince George Council, I'm writing this letter in support of the Indo-Canadian Seniors Society of Prince George's funding application.

The Indo-Canadian Seniors Society of Prince George works hard to maintain principals of compassion and multiculturalism. They ensure that their programs, events, policies, and services reflect the interests and concerns of a diverse membership.

This funding will encourage connection between the Indo-Canadian seniors and youth in Prince George. These events will encourage volunteerism and inclusion of all ages, which will lead to a more diverse culture amongst citizens in our community.

The City of Prince George is supportive of the Indo-Canadian Seniors Society of Prince George's work to secure funding to further the development of organizing community events for promoting volunteerism amongst the seniors and youth. I hope that their application receives favourable consideration.

Sincerely,

Mayor Simon Yu  
City of Prince George
