

ONE COMMUNITY

ONE VISION

AiMHi provides opportunities and supports to people who have special needs and their families.

Our culture empowers all people, both those we support and those we employ to live their best lives at work, at home and in the community.

The Bistro – a place to eat and access the Internet

Common Goods Program collects and sells household items – partnership with Value Village

Community Options – teach skill development through community activities

Home Sharing – offering people a supportive living experience

Infant Development Program – services for children from birth to 3 years old

Infinite Employment Solutions – supports people to find meaningful employment

Kitchen Program – train people to work in the food industry

Life Skills – training and support to adults with a developmental disability and children with special needs

Residential Services – living in an AiMHi home

Skill Building Library – items to help with specific skills and parenting resources

Snoezelen Room – a blend of sights, sounds, textures and aromas
