To whom it may concern,

I am writing regarding the Development Variance Permit Application No VP100656. Property I own is near the property of the Browns', though I do not live there. I am glad I received notice of this although it has been very short notice. I received the notice on Monday October 23 in the mail and the deadline for comments in October 30 so this seems very short to me.

In any event, I have no problem with the application and have no opposition to varying the sections of the city of Prince George Zoning Bylaw No. 7850, 2007, in this instance.

Sincerely,

Redacted
