I'm writing with my concerns of the possibility of the Grouse Road youth facility being established. My hopes are to have this not happen. My thoughts are that this is not an appropriate area for this type of facility to be located. We have lots of families with young kids. We find this is a very nice and safe area to live in. That's why we just built our home in this area, and bringing this facility to our area will have lots of us not sleeping at night.

Sincerely,
Kathy Mercedes
