Re: Letter of Support – Community Gaming Grant Application – Spruce Capital Senior Recreation Centre

To Whom It May Concern:

Please accept this letter of support for the Spruce Capital Senior Recreation Centre's Community Gaming Grant application.

Seniors comprise 29% of the population in Prince George and the role that the senior centre plays in the overall BC health system are significant. The seniors join the centre because they want to play cards, meet new friends, and participate in exercise and fitness sessions, which keeps their physical and mental wellbeing healthy. The grant funding helps to pay operational costs that cannot otherwise be paid.

The City of Prince George is proud to provide its support to the Spruce Capital Senior Recreation Centre and we hope that their funding application will receive favourable consideration.

Sincerely,

Mayor Simon Yu
City of Prince George
