### Comments

We are strongly opposed to this application. This is a quiet single family dwelling neighborhood and increased noise of a multi dwelling will disturb that. We don't believe there to be enough room to build a multifamily dwelling, let alone have parking for it. The construction of said structure will impeded parking, because the only place will be on the street. The street does not have room for this.

We hope you will take our opposition into consideration.

Respectfully

Evan and Maureen Rosen
