

Dear Mayor and Councillors,

This letter is in support of the rezoning application for Shire Green cannabis retail store at 484 Douglas Street.

I understand a rezoning C4: Local Commercial to C4c: Local Commercial to facilitate the permanent operation of the existing non-medical retail cannabis store.

It's my belief that this application will not have a negative impact on the surrounding community.

Shire Green opened February 26th, 2020 and they definitely have proven their commitment to create a safe secure place where customers can legally purchase Cannabis and properly be educated on the products and safe consumption.

Shire Green has a large parking lot, and as such parking needs of my customers have not been impacted.

Shire Green is a niche destination, as an adjacent business to Shire Green I can attest that I have enjoyed the incremental sales and exposure.

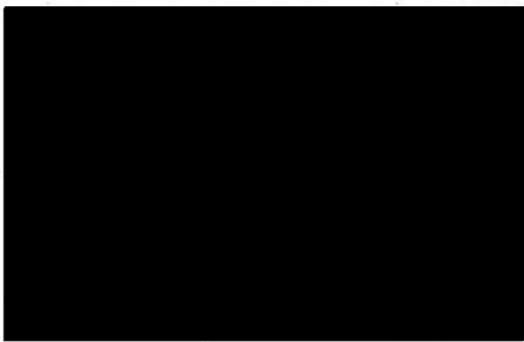

Please consider this letter and my signature as my endorsement of the rezoning application for Shire Green Cannabis
