ELECTOR RESPONSE FORM – ALTERNATIVE APPROVAL PROCESS

The municipal council may proceed with the adoption of **Prince George Aquatic Centre Mechanical and Building Envelope Upgrade Phases 1a, 1b, 2, 3 and 4 Loan Authorization Bylaw No. 9468, 2024**, unless five thousand, five hundred and twelve (5,512) electors submit a completed copy of this elector response form to the City of Prince George by the deadline established. **A person may not sign more than one elector response form in relation to this alternative approval process.** Additional information can be found below about the subject of this alternative approval process, as well as the elector qualifications.

Additional information about Prince George Aquatic Centre Mechanical and Building Envelope Upgrade Phases 1a, 1b, 2, 3 and 4 Loan Authorization Bylaw No. 9468, 2024:

Prince George Aquatic Centre Mechanical and Building Envelope Upgrade Phases 1a, 1b, 2, 3 and 4 is a component renewal and upgrade project that will incorporate the additional phases to Project #3108 Prince George Aquatic Centre Mechanical & Building Envelope Upgrades to extend its useful service life and includes improving energy efficiency, lowering operating costs, bringing asset up to current code. The project will include the following works to reduce energy consumption and greenhouse gas emissions and increase the building life expectancy with increased insulation, triple glazed windows and durable metal cladding systems. Repairs to the structural steel/columns and dive tank sparger system. Replacement of main entry soffits, curtain wall and air handling units cooling coils. Addition of energy recovery on air handling units. Replacement of health/life safety items including deck, lobby and visitor area tile, handrails, plumbing fixtures, fire alarm system and sprinkler heads. Replacement of moveable bulkheads, change room tiles, overhead and underwater light fixtures and emergency system lighting, in addition to interior repainting, hydronic piping reconfiguration, increased access controls, accessibility improvements, and reconfigured reception desk.

The project is to address immediate and upcoming facility asset reinvestment; to condense the number of interruptions to facility users and events; meet current code requirements, improve energy efficiencies; reduce greenhouse gas emissions; extend the expected useful service life further; and consider life cycle operational cost savings.

The interest rate on Bylaw No. 9468 assumes an interest rate of 4.87%. All loan agreements will be for a term no longer than twenty (20) years.
